TODAY, PRESIDENT DONALD TRUMP will sign the most significant Middle East peace treaty in 26 years – an agreement between Israel, the United Arab Emirates, and Bahrain.

It is a historic achievement, one worthy of the Nobel Peace Prize.

The breakthrough came only after President Trump and his team personally brokered it. It means what was once a dream – normalization between Arab countries and Israel – is becoming a reality. Today, it is the United Arab Emirates and Bahrain. Because of President Trump's leadership, we have real hope that other Arab countries will bravely follow this path to peace.

The leaders of Israel, the United Arab Emirates, and Bahrain deserve praise for showing the courage to break through decades of animosity and find common ground.

President Trump, you are a Statesman who has done what no others could do: moving the Embassy to Jerusalem, recognizing Israel's sovereignty over the Golan Heights, brokering this historic deal with the United Arab Emirates and Bahrain.

**The Republican Jewish Coalition thanks you.
The American people thank you. Israel thanks you.**

THE WORLD IS A SAFER PLACE TODAY BECAUSE OF PRESIDENT TRUMP.
